**Ambulance Charges**

Charges for public and private transportation will apply if you take these means of transport to or from the hospital when coming from or to a residence, whether the ambulance was arranged by the patient or hospital. Public ambulance co-payment rates are mandated by the Ministry of Health and Long-Term Care (MOHLC). Ambulance co-payment exemptions apply for inter-hospital transfers, persons living in MOHLTC licensed facilities or persons receiving certain home care or social assistance with valid documentation.

**Rehabilitation and Mobility Appliances**

There are charges for assistive devices or appliances such as crutches, fiberglass casts, splints, walkers, canes, immobilizers, breast pump, etc. Prices vary with item.

**Cosmetic Surgery**

Non-medically necessary procedures such as cosmetic plastic surgery, cosmetic implants, circumcision are not covered under any Provincial or Federal Plan and must be paid for by the patient. Inpatient room fees for non-medically necessary procedures will apply if admitted.
